Notes:

- 1. Minimum credits required to graduate: 128 credits.
- 2. Required courses: <u>61</u> credits; elective courses: <u>39</u> credits (excluding credits earned from university-wide common core requirements and general education courses)
- 3. University-wide common core requirements and general education courses total 28 credits. The relevant regulations are based on the school's "Implementation Regulations of Courses in the College of General Education", "Course Schedule of College of the General Education," and

- "Implementation Regulations of Language Education".
- 4. Applicants must complete 8 credits of English (foreign) language. The English graduation threshold for local students (except for the Department of Applied English) is an off-campus English examination score equivalent to CEFR B1 or above; or pass the on-campus English graduation threshold examination. Those with a TOEIC score of 550 or above (or equivalent to CEFR B1 level) will be exempted from freshman English (4 credits); those with a TOEIC score of 785 (or equivalent to CEFR B2 level) will be exempted from freshman and sophomore English (8 credits) credits), but must take elective thematic English or other foreign language courses to supplement the number of language graduation credits. For other foreign language courses, please refer to the Course Structure Plan of the Foreign Language Education Center.
- 5. Credits earned by students from the common courses offered by their respective colleges shall be accepted as their affiliated departments' professional courses. However, credits earned from interdisciplinary courses offered either by their colleges or by other colleges will be accepted as credits earned from departments outside their own.
- 6. Departmental requirements
 - (1) Of the 39 elective credits required, local students may be admitted to a maximum of 12 credits from external courses, and foreign students may be recognized to 18 credits from external courses.
 - (2) Students of SCM department are required to pass the requirements of the "Regulations for English Proficiency Standards Verification" before their graduation.
 - (3) Students of SCM department must obtain two professional licenses during their study period before their graduation.
 - (4) The summer term internship program is 2 credits (compulsory course), and a minimum of 320 hours is required.
